Overall performance (circle one)

Exceeds Expectations

Above Average

Satisfactory

Needs Improvement

Comments: Emily did a great job during her short 1-week rotation in Peds/Wellness. It is obvious she is comfortable with interviewing and education. She adapted well to the hectic flow of the Children's Center along with school cooking demos and weight loss challenges. Emily completed a toddler snack handout quickly and efficiently. Emily will do well during the rest of her internship. I enjoyed her company and appreciated her hard work and willingness to learn.
